

THE CATALYST

REVIEW

Depth of content continues to distinguish The Catalyst Review.

Uniquely Topical Special Features | Poignant Industry Perspectives | Mover & Shaker Insights
Commercial & Process News | Experimental Abstracts | Media Reviews | Conference Reviews

2025 Subscription Rates *(in US dollars)*

Electronic Edition:	<u>Individual Subscriber</u> \$1,899	<u>Corporate Site License</u> \$4,399	<u>Multi-Site License</u> Contact for details
---------------------	---	--	--

Please select the level that best meets your access needs.

- **Individual Subscriber:** Allows one subscriber to access The Catalyst Review at a discounted rate. Digital access is based on individual IP address and sign-in credentials.
- **Corporate Site License:** Allows unlimited people to access The Catalyst Review within a single site (office/company location). A subscription at one corporate site may not be shared with colleagues at other sites.
- **Multi-Site License:** Allows larger companies to have open access to the digital edition for all employees, in all offices around the world. Rates are determined based on number of sites and quantity of employees accessing the portal.

Complete and return form to tcgr@catalystgrp.com to begin your subscription today!

One year subscription allows historical access to three editions prior to subscription start date
